Re: United States v. 88 Lovells Lane, Marston Mills, Massachusetts
Civil Action No. 03-12438-PBS

Dear Attorney Balliro:

On November 18, 2005, Assistant U.S. Attorney Shelby D. Wright sent a letter to your office concerning the \$221,500, which your client, Victor Miller, agreed to forfeit to the United States in the above-referenced civil forfeiture action. I am enclosing a copy of the letter for your convenience. To date, this office has had no response from you concerning the payment of the forfeited \$221,500, and according to the terms of the Stipulation of Settlement, the United States may move for a sale of the Defendant Real Property should your client default on the payment.

Kindly contact the undersigned Assistant U.S. Attorney at your earliest convenience and advise us whether Miller will be surrendering a certified check in the amount of \$221,500, or whether he will be paying in monthly installments until the debt is satisfied.

Very truly yours,

MICHAEL J. SULLIVAN
United States Attorney,
